WELCOME

Dear Exhibitors, Sponsors, Vendors, and Supporters,

We are excited to welcome you back to the Northwest Washington Fair & Event Center for the second season of the Winter Dressage Show Series and our USEF Level 2 competitions.

What began last year as a new winter opportunity for our dressage community continues to grow, and we are thrilled to now include a third show in the series, the Last Light Dressage Show to be held November 14–15, 2026.

We hope our dressage shows help keep you motivated, inspired, and connected with friends and horses alike during the winter months. Whether you are preparing for the upcoming competition season, gaining mileage, or simply enjoying time with your community, we are grateful to have you join us.

Thank you for being part of the growth of this series. Your support, participation, and feedback help shape these shows for the future, and we look forward to continuing to build this circuit together in the years ahead.

STALL USAGE GUIDELINES

Dear Exhibitors and Support Staff,

As part of PNW Dressage Shows' ongoing commitment to ensure the safety of all participants, particularly the horses in this instance, as well as preserving the integrity of the Northwest Washington Fair and Event Center's facilities, we have established stabling guidelines for all exhibitors. These guidelines apply to all PNW Dressage Show events hosted at Northwest Washington Fair and Event Center. By following these standards, you are not only helping protect your own horse and experience, but also supporting the safety, cleanliness, and usability of the facility for every exhibitor who comes after you. We kindly ask for your attention to the following points:

Fairgrounds property (buildings, walls, etc.) must remain free of temporary attachments such as nails, wires, tape and other objects that may result in damage to buildings or equipment. Decorations and signage may not cover or block any exit, or cover fire extinguisher or electrical panels. Decorating is restricted to: table decorations, balloons, streamers, free standing decorations (flowers, plants, easels, etc.).

All decorations must be removed inside and outside when cleaning the building. PNW Dressage is responsible to leave the rented area as clean and orderly as upon arrival to avoid being charged for the disposal of items or decorations left behind. Please help us by taking everything with you that was brought in.

Responsibility of Competitors: It is the competitors' responsibility to ensure that their staff is fully informed of and complies with these guidelines. We encourage team leads to hold briefings with their staff to ensure everyone is aware of these changes and understands the importance of adhering to them.

Fines for Non-Compliance: In our efforts to maintain the highest standards of facility upkeep and animal safety, PNW Dressage Shows will impose a fine of **\$250** for stalls that are not left in good condition. This measure is not intended to be punitive, but rather to underscore the importance of leaving the stalls in the same condition as they were found (bedding excluded). The fine is not intended to be punitive. We believe this will encourage a collective effort towards maintaining a clean and safe environment for everyone, a form of pay-it-forward to all who utilize our stabling.

Warm regards,

PNW Dressage Shows Management

USDF Horse Welfare Statement

As those engaged in equestrian sport, we are committed to ensuring our horses receive the best possible care to the best of our ability. We acknowledge that we are the caretakers of our horses and as such we are committed to always, without exception, treating our horses with dignity, fairness, kindness, and understanding.

We realize that horses, whether in a herd or as an individual, will communicate contentment, fear, pain and confusion in the only way they can, which often takes the form of physical reactions that can be misinterpreted and misunderstood.

Therefore, we believe it is our obligation to seek to understand our horses with the goal of providing care and training methods that are never the manifestation of anger, frustration or cruelty. We are committed to these principles at all times, whether on or off the show grounds.

We are committed to humane treatment and application of these principles on behalf of all animals including but not limited to horses, donkeys, mules, companion animals, and pets. Lack of humane treatment, whether the result of actions taken, or by care withheld, will not be tolerated.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

Prix Caprilli Test #2 (First Level)

Purpose: For horses with jumping experience showing First Level Dressage or above - maximum height of fences 2'6". It is understood that in the working gaits, a jumping horse is not expected to be as round on the bit as a competing dressage horse. The horse must softly accept the bit and may show more "roundness" in the parts of the tests separate from the jumps. Unless otherwise noted, trot work may be done posting or sitting. When allowed to change leads the horse may do a flying change or change through the trot. The quality of the change is what matters. Test may be called. Refusals will be penalized as an error of course. Knockdowns will be penalized at the judge's discretion. In the case of a knocked down rail being in the way, the judge will ring the bell for the rider to stop without penalty. After the jump is replaced the bell will be rung again telling the rider to continue where he stopped.

Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation rules are governed by the laws of the State of California, and any action instituted against the Federation must be filed in California State. See GR 908.4. "EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT FEDERATION RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH."

All questions not covered in these rules and regulations shall be decided by the Show Management whose decision shall be final.

ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulteur or Loungeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/ roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers, and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.

WARNING: Under the Equine Activity Liability Act, each participant who participates in an equine activity expressly assumes the risks of engaging in and legal responsibility for injury, loss, or damage to person or property resulting from the risk of equine activities.

CONDITIONS OF ENTRY: Every horse entered for competition will be under the control of the Horse Show Management, but Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall defend, indemnify and hold harmless the Horse Show and its officials, employees, directors, officers, PNW Dressage LLC and its Sponsors for any loss or accident to his horse, horses, employees or equipment which may occur from sickness, fire or other cause.

RESPONSIBILITY OF PAYMENT OF SERVICES & SUPPLIES: All owners and exhibitors will be held responsible for any damage incurred by them, their animals, agents, or employees, to stalls, buildings and other properties on the Show grounds and shall be billed accordingly. Any exhibitor not meeting their obligations to the official Show Veterinarian, farrier and feed/bedding vendor will be termed an undesirable exhibitor and entries from that exhibitor may not be accepted at subsequent shows.

Exhibitors should exercise extreme caution before medicating their horses and should be aware of the US EQUESTRIAN FEDERATION and FEI Anti-Doping rules governing drugs and medications.

A trainer is defined as any adult who has responsibility for the horse on the competition grounds and must sign the entry form.

IMPORTANT NOTICE TO ALL AFFECTED PARTIES: Third parties may come upon the property or enter the facilities where any herein described or listed event will occur; provided, that this is a license to enter the premises, for the purpose of observing or participating in the event, but not otherwise, and such license to any individual is subject to revocation by the owner, lessee or organizer, and entry for any purpose other than granted herein, shall be deemed criminal trespass and subject to appropriate legal proceedings.

SHARPS DISPOSAL (GR1210.4): Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$500 for improper disposal of needles or other sharp disposable instruments. Containers are located at the end of each barn aisle and within center aisles when center aisles are present within the barns.

DOGS: No dogs permitted in the barn or arenas during shows. They are welcome outside of these areas and in the camping/RV area only. Must be leashed at all times (not to exceed 6 feet in length) or remain secured in camping trailer. Loose animals/animals left in vehicles in distress, etc. can and will be removed from the grounds at the owner's expense. Loose dogs will be picked up and detained and the owner fined \$100. **GR1301.6:** Dogs are not permitted to be loose on competition grounds and must be held on a leash or otherwise restrained. Individuals must not lead dogs on a leash while mounted. Dog owners are solely responsible for any damages, claims, losses, or actions resulting from their dogs' behaviors. Dog owners failing to comply with this rule will be issued a Yellow warning card and may be subject to penalty under Chapter 7.

Motorized Vehicle – GR1301.7 & GR 1301.8: Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Membership Statement – GR901.9: Life, senior active and junior active members shall be eligible to participate in all classes at Regular Competitions, Eventing Competitions at the Modified Level or above and Combined Driving Competitions, Dressage, Reining and Vaulting Competitions and Endurance Rides. A non-member may participate as a handler, rider, driver, owner, lessee or agent at Regular Competitions, Eventing Competitions, Dressage Competitions, Reining Competitions and Combined Driving Competitions upon payment of a Show Pass fee. Participants in the following classes are exempted from the Requirements of this rule: 1) leadline; 2) exhibitions; 3) games and races; 4) classes for 4-H members; 5) walk trot and academy classes (academy classes are classes limited to horses used regularly in a lesson program); 6) USDF introductory level tests, pas de deux and quadrille classes; and 7) assistant handlers in Dressage Sport Horse Breeding classes.

Protective headgear –DR120.1.1 (GR801): Protective headgear is defined as a riding helmet, which meets or exceeds current ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. From the time horses are officially admitted to the competition grounds by competition management, anyone mounted on a horse at any time on the competition grounds, including non-competing riders, riders on non-competing horses, mounted participants in exhibition classes, and those competing in all classes and tests, including Para Dressage tests, must wear protective headgear as defined by this rule and otherwise in compliance with GR801. The harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until the headgear is properly in place. Protective headgear may be the same as or a coordinating color with the coat, and may include contrast coloring, accent, and crystal decoration. See DR136 for dress code rules for exhibitions.

Emergency Veterinary Treatment of the Horse: In the event of an acute and serious injury to or illness of a horse on competition grounds when the owner or trainer of the horse or agent of the owner is not present, after reasonable effort to contact that individual has been made, competition management, in consultation with a licensed equine veterinarian, may authorize the provision of emergency veterinary treatment of the horse. If competition management so authorizes treatment under the provisions of this rule, competition management and veterinarian are not liable for any resulting costs, damages, losses, claims, or actions arising directly or indirectly from the treatment of the horse. BOD 6/20/22 Effective 12/1/22

Tack Inspections: Exhibitors must present bridles and bits, if and when requested, to the technical delegate for inspection utilizing the methods, timeframe(s) and location(s) identified by competition management with the agreement of the technical delegate. These methods must be communicated to the competitors prior to the start of the competition. The technical delegate must inspect at least 50% of the bits and bridles of horses entered in the competition. Technical Delegates must also conduct random ringside bit checks immediately after rides are completed, some of which can be included in the 50%, using a new disposable protective glove on each hand for each horse. When non-permitted bits, saddlery, or equipment are identified prior to the horse having worn the non-permitted items, there will be no elimination. Elimination will occur only when the horse is wearing non-permitted items or they are identified immediately after use.
